EXAMINER INTERVIEW SUMMARY RECORD

All participants (applicant, applicant's representative, PTO personnel):

- (1) Mr. Bude (3) Mr. Boldue Sr and Jr.
(2) Exr. Hidenburg (4) Mr. Newirth

Date of interview 10/5/89

Type: ☐ Telephonic ☒ Personal (copy is given to ☐ applicant ☒ applicant's representative).

Exhibit shown or demonstration conducted: ☒ Yes ☐ No. If yes, brief description: Actual device shown used with a plastic uterus.

Agreement ☐ was reached with respect to some or all of the claims in question. ☒ was not reached.

Claims discussed: All, esp. cl. 1

Identification of prior art discussed: All, esp. Ginsburg et al.

Description of the general nature of what was agreed to if an agreement was reached, or any other comments: Proposed amendments to cl. 1 were discussed, e.g. to add means for function to the cl. to place the apparatus in the uterus to overcome the 102(b) rejection to Ginsburg. Mr. Bude pointed out no other reference appeared to have an elec. heater in such a balloon. The Ginsburg ref. negated this.

(A fuller description, if necessary, and a copy of the amendments, if available, which the examiner agreed would render the claims allowable must be attached. Also, where no copy of the amendments which would render the claims allowable is available, a summary thereof must be attached.)

Unless the paragraphs below have been checked to indicate to the contrary, A FORMAL WRITTEN RESPONSE TO THE LAST OFFICE ACTION IS NOT WAIVED AND MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW (e.g., items 1-7 on the reverse side of this form). If a response to the last Office action has already been filed, then applicant is given one month from this interview date to provide a statement of the substance of the interview.

☐ It is not necessary for applicant to provide a separate record of the substance of the interview.

☐ Since the examiner's interview summary above (including any attachments) reflects a complete response to each of the objections, rejections and requirements that may be present in the last Office action, and since the claims are now allowable, this completed form is considered to fulfill the response requirements of the last Office action.
